Mr. Roy V. Colbert, Director  
Training and Development Division  
U. S. Post Office Department  
Washington 25, D. C.

Dear Mr. Colbert:

I was delighted over the recent election of Alexander Mark to the Chairmanship of the Mayor's Commission on Group Relations of Newark. Since Mr. Mark has been affiliated with your organization I thought you would be interested in this additional responsibility for which he was chosen.

In this tremendously challenging era of racial and religious relations in America, it is certainly an expression of great faith in Alexander Mark, that this important Commission considers him the best man for the difficult job.

Very sincerely yours,

*D. S. Anthony*
